Suntuf Corrugated Polycarbonate Wall & Ceiling Liner Panels - Solar Grey, Clear, White Opal, Dark Green

Palruf Corrugated PVC Wall & Ceiling Liner Panels - White Opaque, Clear, Light Green

This will acknowledge your e-mail dated 08/12/19, concerning the aforementioned wall and ceiling panels for which you have requested acceptance for use in food processing facilities.

Upon reviewing the physical and chemical data, the products would appear satisfactory.

Therefore, no objection will be taken to the installation of said panels in registered food establishments, provided that:

1- All joints are to be sealed with an acceptable flexible caulking compound to provide a smooth and flush joint; and

Nous accusons réception de votre courriel daté du 08/12/19, concernant les panneaux pour les murs et les plafonds cités en rubriques pour lesquels vous demandez une acceptation pour utilisation dans les établissements de transformation alimentaire.

Évalué sur la base de leurs caractéristiques physiques et chimiques, les produits semblent satisfaissants.

Par conséquent, nous n’avons aucune objection quant à l’utilisation des panneaux dans les établissements alimentaires,

1- Tous les joints soient scellés avec une pâte à calfeuter souple acceptable procurant un fini lisse et ras; et
2- Wall panels are to be smooth and level and provided with curbing of sufficient height and width at floor and wall junction.

Should any unacceptable sanitary maintenance problems occur as a result of improper installation or maintenance, the inspection service may request corrective action to be taken.

This acceptance of the wall and ceiling panels will depend upon their continued acceptability to all concerned.

Should any changes occur in the chemical formulation of the aforementioned wall and ceiling panels, then this acceptance will be considered NULL and VOID.

Yours truly,

Agent intérimaire de programmes
